KEEPING OUR COMMUNITY FED

For homebound clients, weather and other challenges can disrupt daily meals—but thanks to Cultivate Food Rescue and support from Crossroads United Way donors, no one goes hungry. Frozen meals from Cultivate ensure that when storms strike, clients of The Window's Meals on Wheels program still receive the nutrition they need.

From supporting the Community Kitchen and Food Pantry to filling gaps in daily meal delivery, Cultivate Food Rescue strengthens our community and helps neighbors stay safe, nourished, and cared for.
