

TRANSFORMING TAX TIME

EMPOWERING FINANCIAL STABILITY THROUGH FREE ASSISTANCE

The Catholic Charities VITA (Volunteer Income Tax Assistance) program, in partnership with Crossroads United Way, successfully provides free tax preparation services that enhance financial stability in Noble and Lagrange counties. This collaboration connects community members with essential services and equips them with the knowledge needed for better financial well-being.

One success story features a woman who, after learning about the VITA program, received personalized assistance from a trained volunteer. For the first time, she was able to utilize her entire tax refund without the burden of preparation fees, significantly improving her financial situation. This initiative exemplifies Crossroads United Way's mission to improve lives and "Lead the Way" in addressing economic challenges and fostering financial resilience for all.
