

EMPOWERING YOUNG MINDS

OPENING DOORS TO IMAGINATION

At Crossroads United Way, we believe that every child deserves the opportunity to explore the wonders of the written word. That's why we've partnered with Dolly Parton's Imagination Library to promote early literacy and ignite a love for reading in children from birth to age five.

Through this partnership, we're able to provide free, high-quality books to children in our community, delivered right to their doorstep each month. These books are carefully selected to engage young minds and spark their imagination, setting them on the path to a lifetime of learning and discovery.

Together with Dolly Parton's Imagination Library, we're **LEADING THE WAY** by laying the foundation for a brighter future, one story at a time.

Join us in empowering young minds and shaping the next generation of readers.
